2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process.

During the past few years, the world has witnessed a phenomenal growth in communication technology, computer network and information technology that have created numerous possibilities to use a variety of new technology tools for teaching and learning systems. The integration of computers and communications i.e. Information and Communication Technology (ICT) offers unprecedented opportunities to the education systems with its capacity to interact over a wide geographic area.

The following tools are used by the Institute-

1. Projectors- Projectors are available in different classrooms/labs
2. Desktop and Laptops- Arranged at Computer Lab.
3. Auditorium- It is digitally equipped with a mike, projector, and computer system.
4. Portable digital facilities available.
5. Printers are installed at all prominent places.
6. Photocopier machines & Scanners – Multifunction printers are available at all prominent places in the institute.
7. Online Classes through Zoom, Google Meet.
8. Digital Library resources are also available.
9. Video Conferencing- Students are counseled with the help of Zoom/ Google meet applications.
10. Online quiz- Faculties prepare online quiz for students after the completion of each unit with the help of Google Forms.

A handwritten signature in green ink, consisting of a large, stylized 'S' followed by a horizontal line.
